Holiday Questionnaire

Read through these questions for a few minutes, then talk about them with a partner or in a small group. You don't need to answer all the questions, and you don't need to talk about them in order (1, 2, 3, etc.) You can choose the questions you think are most interesting. Don't just ask one question then move on to the next one; ask follow-up questions to continue the conversation.

- 1 Where was the last place you went for a holiday?
- 2 Would you recommend this place to the other people in your group?
- 3 Do you have many memories of your holidays when you were a child?
- 4 When you are on holiday, how do you like to spend your time?
- 5 Ten years ago, how would you have answered question 4?
- 6 Where would you like to go on holiday in the future?
- 7 How do you feel when you are leaving your house to go on holiday?
- 8 And how do you feel when you are on the train/bus/boat/plane/in the car returning from your holiday?
- 9 Do many foreign people spend their holidays in your country?
- 10 Where do people from your hometown usually go on holiday?
- 11 Where are the most popular places for tourists in your country?
- 12 Which of the other people in your group would most enjoy a holiday in your country?
